*The LeVeen-Roach Scholarship Fund was founded in the Fall of 2001 in memory of two members of Secession Golf Club who lost their lives in the World Trade Center during the terrorist attacks on September 11 of the same year.*

*The scholarship was created to remember their love for golf and commitment to Secession by funding the higher education ambitions of students who display academic potential, share a connection to the game of golf and to the Beaufort, SC, area and demonstrate financial need.*
